ABOUT US

Harvest Vision Ministries – Africa is a fully registered indigenous ministry with her headquarters in the suburbs of Kampala city in Uganda with a mandate to reach out to the unreached people in Africa. It is headed by Apostle Martin Ochieng Ng'ollah, the Director and the overseer of Harvest Church Fellowships in Africa. He is also the Lead Pastor of Harvest Church Fellowship – Kabalagala in Kampala (Uganda). The Ministry currently operates in Uganda, Kenya, Congo, Burundi and South Sudan.

We derive our ministry mandate from the very words of our Lord Jesus Christ who said according to the gospel of Matthew 9:37 that, *"The harvest truly is plentiful, but the laborers are few"*. This is our strongest motivation as regards to putting in action the greatest command of Lord, that is, *"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit" (Matthew 28:19).*

What we do:

- *Evangelism (street evangelism, door to door and mega crusades)*
- *Church planting*
- *Discipleship and training of leaders*

1. Evangelism

As far as Evangelism is concerned, we have ministry coordinators in each of those African countries mentioned above. God has provided us with sets of sound equipment which these people use including; a piano, a generator, speakers, an amp-mixer and microphones which they use to carry out open air evangelism in their local areas and in other parts of their respective countries. Since we are interdenominational, we work with other churches in our respective countries who come and freely use our sound equipment for the gospel missions.

2. Church planting

We consider the people whom God has called for specific areas. God himself has been raising people from our church fellowships who hear the call of God on their lives to go and plant

churches in specific areas.

3. Discipleship and training of leaders

The school is mobile in nature. It goes in places where church leaders can gather themselves in a place they choose. Trainings are done every month for one week for a period of six (6) months. Then another training begins for another six months: so trainings are carried out throughout the year.

We locate places for trainings through our branch pastors who mobilize fellow local pastors and church elders from different denominations. We are also open to leading of the Holy Spirit through pastors of other denominations to mobilize for us leaders in their areas such that we go and carry out the trainings.

At the end of the six months training we carry out graduations in the very centers where these trainings have been conducted.

JANUARY ACHIEVEMENTS

In the month of January this year 2024, we witnessed one thousand four hundred eighty-two (1482) people give their lives to Christ through our gospel missions and crusades spearheaded by our ministry coordinators in the different countries of Africa where they base.

UGANDA

In Uganda we have had six hundred and forty-six (646) people come to Christ through gospel evangelism and conferences organized by our ministry coordinators in the Northern region, Eastern and in the central part of the country.

i) Northern region

On 19th and 20th of January David Vito our ministry coordinator from Gulu district, the Northern part of Uganda, organized a Revival conference at Salvation Arena church Laliya which was attended by about 200 people and seven (7) of them gave their lives to Christ.

From 25th to 27th he had a three days' mission in an area named Palaro which was attended by around 600 people where 81 people accepted Christ with many testimonies of deliverance and healing. They also had a discipleship program where 40 people turned up for three days from 29th to 31st.

Pastor Christopher Ogwen our coordinator in Nebbi district held a 5 – days' gospel crusade in Runga (Bulissa district) in the North Western part of Uganda where 223 people gave their lives to Christ and a 3-days' conference in Kiryamboga, Hoima district, 102 accepted Christ.

ii) Central region

A team from Harvest Church Fellowship in Kabalagala (*main church branch*) led 90 people to Christ in this open air evangelism in a market place in Namuwongo, Kampala district. This team is comprised of young men and ladies who are zealous for the gospel of Christ. Actually they call themselves, "Soul Winners". Their leader, Joseph Tambaki is our gospel coordinator in the central Uganda. They stage open air crusades and street evangelism every day in the suburbs of Kampala of which Namuwongo is part.

Namuwongo is a highly populated slum with many unemployed youths involved in theft and drug addictions. But we thank the grace of our Lord Jesus Christ to reach these people with the gospel of salvation

"For if I preach the gospel, I have nothing to boast of, for necessity is laid upon me; yes, woe is me if I do not preach the gospel!"
1 Corinthians 9:16

3. Eastern region

Pastor Nyongesa Titus of Namayingo district together with his team had a five days charity week visiting families of elderly people, widows and struggling families to share the love of Christ with them through giving them food and scholastic materials to school going children.

They also did house to house evangelismin Syanyonja village and won one soul to Christ. This was followed by a two days' joint effort crusade at Machoka primary school where 21 souls came to Christ and a church was established in that area. In addition, 18 youths turned to Christ through a five days' conference which they organised in Namayingo.

Other areas in the Eastern Uganda include Kaliro district which has had extra-ordinary miracles. People in this district have for long been bound by witchcraft to the extent that last year 2023 the witches held a crusade in a place called Nabitende where they made people denounce the name of Jesus Christ and they enthroned one of their witches as a chief of demonic worship in this area.

However, through our coordinator Pastor Mutyaba Kennedy we are winning souls for Christ in that area. Through the prayers of the church, over 20 shrines have caught fire supernaturally in different parts of this district and this has so much amazed the locals and the witches themselves. 85 people have come to the Lord through door to door evangelism and open air crusades in January.

SOUTH SUDAN

According to our coordinator Pastor Zakaria Badi in South Sudan, many people in this area are full of bitterness in their hearts. However, the gospel is being preached and in January this year eighteen (18) people gave their lives to Christ and some of them were baptized.

KENYA

The Dasanach group of people in Kenya were reached with the gospel through Harvest Vision Ministries and 34 of them received Christ. In addition, our branch church in Kenya led by Pastor Daniel Mwelema started in January this year doing Sunday evening open air crusade. They harvested 10 souls for Christ in the month of January.

DEMOCRATIC REPUBLIC OF CONGO (DRC)

Pastor Shako Augustin our ministry Coordinator and his team visited Tupendane institute for two days where 92 students received Christ out of 560 who attended. They also preached to students in Mont Goma institute and 10 out of 620 attendants got saved. On their way back, they met a young lady who was tired of life and she had wasted her life in prostitution, she gave her life to Christ and this was great joy. This team is having great breakthrough. According to Pr Augustin, there is a local Islamic institute that has requested them to share the gospel of Christ in their school every Saturday. It is amazing! On the first of their meeting, 28 students attended. Hallelujah!

BURUNDI

Through our coordinator Pr Evariste and his team, we have had nonstop crusades and missions in the areas of Bururi, Kiremba, Makamba, Kibago, Kigongo, Musenyi, Nyamurenza and Burenga in which 672 peopple made decisions for Christ only in the month of January this year.

We are so grateful for what the Lord is doing through us in reaching out to the lost. We trust the Lord Jesus Christ for more and greater harvests this year.

We thank all our friends and partners in the ministry of our Lord whom the Lord has touched to freely and willingly stand with us and our coordinators in all ways as the Lord has enabled them.

For anyone whose heart the Lord has moved to work with us in His field in any way, you are free to join us in spreading the gospel of Christ to as many parts of Africa as possible.
